## Church of the Holy Spirit in Mattapan

Topic: "Second Chances"

Once again I wish to thank you for your contribution to the life of The Church of the Holy Spirit and the Scholarship Fund, through your excellent work in creating and performing "Second Chances". The play was an extraordinary event for the parish and also for me personally. The blend of serious themes with humor makes the message both hearable but also entertaining. I heard that sort of comment frequently in the conversations about the play during the following week. The message is profound and I would have thought the seriousness of the message would get lost in humor, but this did not happen. The message remained clear and poignant even in the midst of wonderful entertainment. Many spoke of the creativity and enthusiasm of all involved. They spoke of the dedication to humanity in the work that has been invested in this important work. They felt blessed to have been the first large audience to see the play, and yet they marvelled at how complete and perfected the performance seemed to be. I would strongly endorse the play for any group which seriously wants to examine the nature of homelessness while experiencing an evening of wonderful entertainment. In our parish the discussion which followed showed the powerful impact of the drama. Use my name freely as a recommendation of your efforts. Have anyone who chooses call me if they want direct information. Once again I thank you for all you have done, and wish your small troop the best of fortune with this play.

Your in Faith,

Rev. Dana Boynton
